

Mataguay Scout Ranch Orienteering Course

The course begins at the “A” Frame, just below the front patio. Throughout the course you will find Control Markers depicting your location. On the Control Markers you will see the number of the Control Marker, as well as a **word**. **You will need to write down the word on your Control Sheet, so at the end of the course you can assemble a phrase.**

Orienteering Hints: Headings and distances are only approximate. After covering the designated distance, look for the Control Marker around you. The Control Markers are not hidden, but they are also not in direct view from your previous point, so you must ensure your travel distance is accurate. GPS coordinates are listed in UTM format.

START - <u>GPS UTM (11S 531925 3674254):</u>	<u>A SCOUT IS</u>
1. 072° 557ft (11S 232095 3674294)	<u>COURTEOUS</u>
